**Bookfair**

**Wed 13th March - Tues 19th March**

The bookfair will be visiting school on the above dates. The children will have the chance to look at the books during the school day. If there are books that they like, they can write them on a wish-list and bring these home. If you wish to purchase any of the books, this can be done online, all the details are available on the wish-list.

**World Book Day Vouchers - we have these available in school. The £1.00 voucher can be used against the total cost of your payment when you pay online. If you would like your child's voucher to use other than at the bookfair, please let the school office know and we will give this to your child.**

When payments are made, you will be given a reference number.

Write this on the wish-list along with the name of the book(s) you have purchased and ask your child to return this to the school office. We can then supply your child with their new books.

Thank you for your support, we can purchase new books for our reading library.

Dear Parents,

Hope you all enjoyed a restful half term.

We have already come to the end of our first week...

- After school clubs have started back
- The school football team has played a match against Rakegate Primary. This was a closely fought match which would have ended in a draw had it not been 2 extra time goals. The team may not have won on this occasion however having growing sense of team spirit.
- A second match was due to be played on Thursday with Reception class invited to cheer. Unfortunately the rain put a stop to this.
- Dental checks took place for five year olds. You may receive a letter if follow up is required.
- Pc Jorden Brookes is our link police officer and is spending some time with our children today, focusing on online risks with our older children & thinking about feeling safe in the community.

If you are a parent of a year 6 child, you will be invited to a meeting to discuss KS2 SATS. Please note date and time

Year 2—there are no statutory tests this year, however we will be using nationally provided materials to support our teacher assessment. We have also been selected to be a part of a staorry trial of future tests. This will take place in the summer term . There will be no results reported from this.
