Monday 06.06.22	Return to school
Monday 06.06.22	Y4 Multiplication Check
Monday 06.06.22	Y1 Phonics Check
Thursday 21.07.22	Break-up for Summer

Dear Parents,

In an effort to make up for the social experiences which children have missed out on during the last 2 years because of COVID, we have planned different learning experiences over the next few weeks. Today, children in Years 3,4,5 and 6 had the opportunity to take part in Shakespeare theatre workshops, immersing themselves in the plays: Macbeth and Romeo & Juliet. They thoroughly enjoyed the experience and we are certain that some of our children are destined for a career on the stage in the future.

As we approach World Book Day, we would like to celebrate the tradition of storytelling. The best stories have always been shared from one generation to the next. Please could you arrange for your child to speak to the eldest person they know and ask them to tell your child their favourite story from when they were a child.

Please ensure that all earrings worn to school are small plain studs as per our prospectus.

Miss Sharma

Parents' Evening - Monday 28th February

Please ensure that you email school with your request for a Parents' evening telephone call by Monday 14th February.

Comic Relief /Red Nose Day - Friday 18th March

This year we are raising money for Comic Relief to help bring a smile to those in need.

To bring a smile to others in school, we would like children to wear something red on this day and come prepared with a joke. Write your joke on a piece of paper and bring it to school where we can build up a joke wall. We will try and print some of the best ones in the newsletter :)

What happens when an egg hears a joke? It cracks up!

To participate in this day, donations of £1.00 per child can be paid using your Pay360 account, events tab.

Easter Project

We would like children to use their creative and decorative skills to produce a flower container to bring into school after Easter.

Children who bring in a container will be given compost and a sunflower seed to plant and they will be placed around school to make a lovely sunflower display.

The container needs to be fairly large and robust, to hold enough compost to enable a sunflower to grow to 6ft plus. These can then be decorated/personalised as you wish. Some ideas below.

Use: large tin/paint cans, old flower pots, the bottom half of a 6 litre milk carton, old small wellington boots, turn a small bag for life inside out or cut down a large one and staple the sides and decorate, an old handbag or any type of sturdy container.

You may need to put a few holes in the bottom of your container to act as drainage.

Items to use for decorating: paint, pebbles, shells, string, jewels, tiles, beads or buttons. (please ensure that they are stuck/sewn onto your container securely.)

We look forward to seeing all the wonderful creative ideas from our children and observing the growth of the sunflowers.

Covid Update If any member of your household has received a positive Covid test, all other household members (including children) will need to do a lateral flow test every day for 7 days. If they receive negative test results they may come into school, if it is a positive result, they must not attend school and you must notify school as soon as possible.

If your child has any of these 3 coronavirus (COVID-19) symptoms, even if mild, please book a polymerase chain reaction (PCR) test for them as soon as possible:

- a high temperature
- a new, continuous cough
- Loss of or change to their sense of smell or taste

They will need to isolate until negative result of PCR test is received.

If children present with symptoms at school you will be contacted to collect them and arrange a PCR test before they can return. (it is essential that we have up to date contact numbers in the event of an emergency)

IN ADDITION, DUE TO HIGH CASE LEVELS IN THE CITY, THE PUBLIC HEALTH TEAM HAVE ADVISED SCHOOLS....

that any pupil unwell enough not to attend school for any illness (even if not a typical Covid symptom) also accesses a Covid test or not attend school for 48 hours after symptoms stop.

WORLD
BOOK
DAY

World Book Day - Thursday 3rd March

A World Book Day token will be sent home with your child next week. This may be used in exchange for one of the 12 free books on offer or can be used as a £1 token off a book of your choice.

REMINDER: could we please remind parents/carers that if your child wishes to have a school dinner, please either pay at the beginning of the week or on the day that they receive their meal.
Thank you for your co-operation.

Mathletics

We have discontinued the use of Mathletics. Therefore, access to your child's Mathletics account is no longer valid.
