Dear Parents

We have come to the end of a long and unusual autumn term.

The term began with the opportunity to reunite with friends and has ended with COVID friendly Christmas celebrations. This term has involved a lot of hard work, commitment and resilience. I would like to acknowledge the determination of the teaching staff who have worked tirelessly to help the children make up for lost learning, the office and site staff who looked for inventive ways to keep us safe and open, you the parents for trusting us and working with us as partners, and above all the children for rising to challenges, making us smile and therefore making it all worthwhile.

We hope that everybody will have a wonderful Christmas and look forward to seeing all our families back in the new year safe and well.

If any children test positive during the holidays please email this information to us, school will still be in contact with Public Health England to support track and trace.
