Dear Parents,

We thank you for your support through the year, Particularly your participation in family learning sessions and your encouragement in helping the children with striving to thrive. We hope to continue with both of these foci next year. Thank you also for the kind words you have shared with us and the appreciation you have shown for the hard work of the staff. They are very much appreciated.

Please do take note of the summer break activities on the page below, we love to hear about the children's summer activities and time spent with families. We look forward to receiving the emails. And sharing the children's memories.

To our year 6 children... we are incredibly proud of you and the way you have grown. You have definitely grown as individuals in your academic abilities, but you have also grown in your support and care for one another. We believe in you and your ability to achieve whatever you put your mind to. So please continue to strive and we hope that you will thrive. We look forward to hearing of your future successes.

To our families who are transferring to new schools, it has been a pleasure being a part of your children's journey. We hope the children will soon settle into their new schools. We wish your families well.

Miss Sharma
