## Thursday 28th September - School Photographs

8:30am - Photographs with non-Wood End siblings in the hall.

If you have children who do not attend Wood End but you would like a family photo taken, please book into the session using your schoolcomms account, in the clubs tab. This will enable us to plan the morning.

All pupils will have photographs taken, individually and with their siblings who attend school during the morning.

## Dear Parents

The children have settled really well at the beginning of this year. Most children also arrive in school on time. To encourage this further we will have a week to celebrate good attendance and punctuality next week. Children who arrive on time in the morning next week will be welcomed with a biscuit. Children who have attended school every day next week will be rewarded with extra play on Friday.

Year 6 parents please ensure that you complete your secondary school applications in good time. Submission deadline is 31st October 2023.

We will start reviewing school data next week. You will be asked to collect a data collection sheet from the office. When you receive this please ensure the information that we hold about you and your child is accurate and upto date. Please pay particular attention to contact telephone numbers and medical needs.

I hope that you have seen the spelling diary that your child has been provided with. Please note that the children will only need to learn one page of spellings per week. They are not expected to go on ahead. However, going back to previous weeks and revising spellings is a good idea.

Please could you ensure that reading books which are sent home are cared for so that they are still pleasurable for the next reader.

Miss Sharma

## Harvest

We will be collecting donations of produce for our Harvest display soon, if these could be brought into school from Monday 2nd October.

This year, we have decided to support the work of the local food bank, The Well, with our donations. They provide support to the local community in the form of food parcels. They have produced a shopping list of the most useful items:

UHT milk, cereals, tea, coffee, sugar, jam, pasta and sauces, tinned vegetables and fruit, rice, noodles, nappies, baby wipes, toiletries, household cleaning products. Thank you for your support.

All parents of children in Year 6 should have received secondary school application information from the Local Authority. If you have not received this, contact the admissions team at Wolverhampton Council on 01902 551122. You should apply online before the deadline of 31st October 2023.

**Flu Nasal Immunisations
