School Photographs

Thursday 30th September

All pupils will have their photograph taken individually. Photographs will also be taken of siblings that are in school.

Unfortunately, we will not be able to take family photographs this year with younger aged children.

REMINDER: Could we please remind parents not to put any nuts or items that contain nuts into children's lunchboxes as we have pupils with nut allergies in school.

At lunchtimes, please do not send your child with fizzy pop. Water, juice, milk or cordial only please.

As the weather is very changeable at the moment, could we please ask that all children wear a waterproof coat to school. We access the playground in all weathers.

Sweets: As we are still continuing to follow some of the covid rules to try to keep everyone safe, we have asked for pupils not to bring sweets/cakes into school for birthdays. This includes the distribution of sweets after school at the school gates.

Thank you for your co-operation.

Dear Parents,

The Data Collection sheets are being sent home this week, could you please check all information and amend if necessary. Forms to be returned to school by Friday 8th October.

We are planning to restart school visits for children over this year. Years 1, 3 and 6 please look out for information shortly.

Thank you to all parents who have applied for a place in after-school clubs, we are looking forward to these activities.

Thank you to those parents that have contacted us regarding their child's PE kit and their updates on acquiring the correct kit.

Could we remind parents to only use simple hair ties (no fashion items) which are in school colours, earrings should also be simple plain studs (green is acceptable) not novelty designs.

Miss Sharma

REMINDER-your child's PE kit should be:

- a plain t-shirt in your child's house colour and dark green shorts and plain black pumps or trainers (no colours or logos)
- a school green tracksuit, available from Myclothing.com and Kidscorner, or plain black jogging bottoms and plain black sweatshirt (no writing or logos) or school sweatshirt
- Please ensure that earrings are removed for PE days.

If pupils arrive in alternative kit, they will be supplied with the correct spare kit to wear for the day.

Harvest Festival - 20th October 2021

We will be holding our annual Harvest Festival in school on 20th October.

We are still unable to offer parents and families admission to the school site for an assembly.

This year, we will be supporting a local foodbank and all donations will be sent to the Moathouse Foodbank and would appreciate any donations. Could we please ask for non-perishable groceries that would keep well at the foodbank. Please send all donations via the school office. Thank you

If your child has any of these 3 coronavirus (COVID-19) symptoms, even if mild, please book a polymerase chain reaction (PCR) test for them as soon as possible:

- a high temperature
- a new, continuous cough
- Loss of or change to their sense of smell or taste

They will need to isolate until negative result of PCR test is received (Lateral Flow test results will not be accepted as an alternative)

If children present with symptoms at school you will be contacted to collect them and arrange a PCR test before they can return. (it is essential that we have up to date contact numbers in the event of an emergency)

IN ADDITION, DUE TO HIGH CASE LEVELS IN THE CITY, THE PUBLIC HEALTH TEAM HAVE ADVISED SCHOOLS....

that any pupil unwell enough not to attend school for any illness (even if not a typical Covid symptom) also accesses a PCR test or not attend school for 48 hours after symptoms stop.

Year 6 Secondary School Applications
