Monday 06.06.22	Y1 Phonics Check
Thursday 21.07.22	Break-up for Summer Break

Dear Parents,

Thank you to everyone who made a purchase through the book fair. As well as treating your child, your purchases help to build up credits for us to buy books for school.

A great big thank you for supporting our Comic Relief event. It was lovely to see the school full of colour. If you have not yet made your donation please pay via your Pay 360 account. The final donation amount will be sent from school on Monday 28th March.

Children in Years 1 to 6 were treated to a 'Wonderdome' experience last week; giving them the opportunity explore the planets and space.

Children in Early Years and Year 2 were treated to a visit from the farm this week. They met various animals including: donkey, lamb and ducks. If your children have not shared any information with you about the Wonderdome or Farm please do ask them about it.

It was lovely to see year 1 and 2 parents in school for the maths workshops. We hope that you enjoyed sharing your children's maths books.

Could you please ensure that your child brings their water bottle to school every day; especially as the weather warms up. We are having a number of children not bringing a water bottle to school and at the present time we do not have water fountain facilities.

Miss Sharma

## Milk - Summer Term

If you wish your child to have milk at school in the Summer term, orders and payments can be made on your Pay360 online account. All orders should be made by Friday 29th April 2022.

Milk is charged at £8 per term. If your child is entitled to income based free school meals, there will be no charge for your child to have milk but you will still need to let us know by adding milk to your basket on Pay360 and checking out.

How did Elsa lose her dog?  
She let it go!

## Change of menu

**There will be a change of menu on the following days:**

**Thursday 31st March**

The kitchen will be serving fish and chips or veggie dippers and chips.

**Monday 25th April - St Georges Day Menu**

Fish and chips or veggie sausage and chips followed by Union Jack trifle or jam scones.

# Easter Project

We would like children to use their creative and decorative skills to produce a flower container to bring into school after Easter.

Children who bring in a container will be given compost and a sunflower seed to plant and they will be placed around school to make a sunflower display.

The container needs to be fairly large and robust, to hold enough compost to enable a sunflower to grow to 6ft plus. These can then be decorated/personalised as you wish. Some ideas below.

**Use:** large tin/paint cans, old flower pots, the bottom half of a 6 litre milk carton, old small wellington boots, turn a small bag for life inside out or cut down a large one and staple the sides and decorate, an old handbag or any type of sturdy container.

You may need to put a few holes in the bottom of your container to act as drainage.

**Items to use for decorating:** paint, pebbles, shells, string, jewels, tiles, beads or buttons. (please ensure that they are stuck/sewn onto your container securely.)

We look forward to seeing all the wonderful creative ideas from our children and observing the growth of the sunflowers.

**CITY OF WOLVERHAMPTON COUNCIL**

Free to attend Easter activity sessions for children aged 2 - 6 years (younger and older siblings are welcome)  
Booking is essential

Join the Universal Service Practitioners at Graiseley Strengthening Families Hub for fun Easter craft activities on Tuesday 12th April at either 10am - 12pm or 1.30 - 3.30pm.  
Get crafty at home with your child/ren before attending so they can show off their fabulous

Or

Dress for the weather and join us at Bantock park on Monday 11th April from 10 - 11.30am for a spring bunny hop around the park, craft activities and an Easter egg hunt.

Booking is essential for all of the Easter sessions, to book your child/ren a place please contact Liz Lanchbury on 07900708226 or email Liz.Lanchbury@wolverhampton.gov.uk

Why didn't the bicycle cross the road?  
Because it was two tyred!

How does the fish get to school?  
He catches the octobus!

What do you do with a bee that has hurt its wing?  
You take him to the waspital!

What did the shark say when it ate the clownfish?  
This tastes a little funny!

As you may be aware, rules have changed recently regarding Covid isolation. However, anyone displaying symptoms or testing positive still needs to stay at home.

If your child has any of these 3 coronavirus (COVID-19) symptoms, even if mild, please book a polymerase chain reaction (PCR) test for them as soon as possible:

- a high temperature
- a new, continuous cough
- Loss of or change to their sense of smell or taste

Please let us know when you book a test and share the result as soon as it is received. If the result is negative, children can return to school as long as they are feeling well. If the result is positive, we will discuss with you the arrangements for returning to school. If your child does test positive but is feeling well, we will arrange work for them to complete at home.

If children present with symptoms at school you will be contacted to collect them and arrange a PCR test before they can return. (it is essential that we have up to date contact numbers in the event of an emergency).

We no longer require children who are contacts of a positive case to do lateral flow tests daily. However, should cases rise within school, additional arrangements may need be put into place following guidance from Public Health.
