Dear Parents,

This has been a difficult year for most of us and a painful year for some. I thank you as our families for your support in this journey and the children for making us smile and making it all worthwhile. I thank our staff who have worked incredibly hard, being flexible, adapting and always keeping our children at the heart of all they do,

At the end of this year we say goodbye to Miss Rose and Miss Price. We thank them for their contribution to the Wood End journey and we wish them well as they leave for new adventures. We also say goodbye to our year 6 children and their families. We hope the children go on and thrive in all that they do.

It is a pleasure to be able to share formally who your child's class teacher will be next year.

Miss Sharma

We are really pleased how much our children have grown as readers this year. It is a pleasure to walk down the corridor to hear children

reading with increased confidence and expression. We don't want to lose this skill and so the children have all been given some books to enjoy over the holiday. These books have been selected to link in with areas of learning in their new classes. Please take a moment to read the messages in the books from their new class teacher and encourage the children to read these books. Please send the books back to school with the children in September as they will be used as part of lesson discussions.
