Thinking of taking your child out of school in term time?

New legislation introduced in September 2013 stated that Headteachers could no longer authorise 10 days holiday during term time.

Leave of absence during term time, can now only be authorised by the Headteacher/Principal if they are satisfied, that there are exceptional circumstances that warrants the granting of leave.

If the Headteacher/Principal, does not authorise the leave of absence but the children are absent during the requested time, parents may receive a penalty notice (fine).

How do I make a request for leave of absence in term time?

1. You need to complete a leave of absence request form, which is attached at the back of this leaflet, at least four weeks before the start of the holiday. This form is also available to download from www.wolverhampton.gov.uk
2. The completed form must then be sent to the school for approval.
3. The school will then write to you within seven school working days to confirm/decline the request.

What will happen if my request is refused but I still take the leave of absence?

Your school will notify the delegated local authority officer who will issue a penalty notice to you if 5 days or more have been taken.

A penalty notice of £60 could be imposed per child and per parent. If this is not paid within 21 days of receipt of the notice the cost rises to £120 which must be paid between 21 and 28 days of receipt of the notice. All penalty notices will be delivered by hand or first class post.

If the notice has not been paid in full by 28 days of receipt, the council must either prosecute for the offence or withdraw the notice.

Once issued a penalty notice may only be withdrawn in the following circumstances:

- Proof has been established that the penalty notice has been issued to the wrong person.
- The notice ought not to have been issued e.g. where it has been issued outside the terms of the code of conduct or no offence has been committed.

This prosecution is for the offence of failing to secure attendance at school not for non-payment of the fine.

Prosecutions are brought under S444 of the Education Act 1996.

Parents/carers need to be mindful that a conviction for this offence can result in a criminal record.
