Dear Parents

It is wonderful to see our children and families returning to school safe and healthy. We hope that nerves and concerns that children had about starting back at school will now have reduced, and instead be replaced with the joy of meeting their friends once again.

Thank you for supporting our efforts to keep the children safe, by...

- letting us know in advance of any concerns that you had about your children returning, we were then able to consider these factors into our planning,
- not sending additional bags into school.
- bringing your children in the correct time slot for their class's start. We appreciate this is difficult when you have children in different classes.
- avoiding coming to the office, but using email and phone calls to communicate with us instead.

All three gates are currently open in the morning and after school. We have now removed entry and exit signs, you may use any of these gates but please continue to be considerate and avoid congestion.

Our 'meet the teacher' meetings will be held online this year. You will receive an email with dates / times and links to attend these meetings. If you do not receive an email please contact school by Wednesday 9th Sept.
