Dear Parents,

Over the year we have tried to grow children's understanding and experience of charity. In the autumn term, for Macmillan your children purchased 50p cakes, for Children in Need you were kind enough to share your time in making dotty outfits. In the spring term the children wore red and donated £117.00 Now in the summer term we want to raise... awareness.

Cerebral palsy is a lifelong condition affecting movement and coordination. It is something that affects the lives of children, staff and families of the Wood End community. It is therefore something close to our hearts.

On Friday 26th May, we will be raising awareness of what cerebral palsy is and raising funds in part for the Chris Westwood Charity who support in purchasing mobility, sensory and vision equipment for children and young people living in the West Midlands. Over the last 18 years, they have helped with over 850 cases, making a difference to the quality of lives for children and families. The other part of funds will go to cerebral palsy research alliance. We want to let our children know the important work researchers do in bringing about change. Who knows maybe one day one of our children will become a researcher who contributes to developing cures and treatments.

On this day, we will learn a little about cerebral palsy and take part in some activities. Before and after school, we will be shaking buckets to raise money. Any donations would be greatly appreciated. We thank you for your support in advance.

SATS

Well done to our year 6. We are really proud of how resilient they were during their SATS. The papers were tricky, but the children did not dwell on this nor did they let the challenge dampen their spirits. Well done.

Year 5 trip

Year 5 went on their trip to Sarehole Mill this week accompanied by Mrs Brookes, Mrs Fitzpatrick and Mr Pinnock. The children made the most of this opportunity to build their knowledge of rivers and had fun at the same time. The staff were very proud of how well the children engaged and behaved.

Family Sports Afternoons

Year 2 and year 1 have already started us off with sports afternoons. Thank you to all parents who attended and joined in. We really appreciate your support in showing the children it's good to have a go.

Reception - Friday 26th May 1:30pm

Year 3 - Thursday 25th May 2pm

Year 4 - Wednesday 24th May 2pm

Year 5 - Tuesday 23rd May 1:15pm

Year 6 - Monday 22nd May 1:30pm

Afterschool Activity Clubs

Next week is the final week of clubs that are held afterschool.
