Thursday 21.07.22	Break-up for Summer Break

Dear Parents,

It seems like a long time ago but I hope that you all enjoyed your Easter break and Bank holiday weekend.

The summer term as always is very busy with activities to enjoy / celebrate but also with assessments and transitions pending.

As our year 6 children prepare themselves for SATS next week, we would like them to know that we are incredibly proud of the learners they have grown to be. We wish them well in applying their skills.

Thank you to all families who have created a plant pot. They are now being prepared for our sunflower display.

We began inviting parents into school for some events towards the end of last term, we hope to be able to continue with this. Please look out for invites in the next few weeks.

The school will be celebrating the Queen's jubilee on Friday 27th May. The children may wear clothes which are red, blue or white on this day.

Miss Sharma

### Friday 27th May Jubilee School Lunch

As part of the celebration for the Queen's Platinum Jubilee, we will be having a street party themed lunch on Friday 27th May.

If you would like your child to join in the celebrations please order your child's meal on your Pay360 account. If your child receives free school meals, there is no charge for the meal, but it will need to be ordered in the same way. **All orders will need to be placed by Monday 16th May.**

The menu will consist of ham, egg or cheese sandwiches, pizza fingers, mini sausage roll or cheese roll, vegan nuggets and crisps. Dessert will be either Jubilee Cupcake, Butterfly Cake or Iced Bun, there will also be fruit punch.

There will a change of menu on Thursday 26th May to the fish and chips menu from Friday 27th May.

**Year 5 Girls** - If you are considering Wolverhampton Girls' High School for your child's secondary school placement, please collect information from the office regarding open days.

Year 4 and Year 5 pupils - there is a Level 2 Bikeability course being held in half-term at Aldersley Leisure Village. If you would like a booking form, please let us know.

## **COVID 19 UPDATE**

Respiratory infections are common in children and young people, particularly during the winter months. Symptoms can be caused by several respiratory infections including the common cold, COVID-19 and Respiratory Syncytial Virus (RSV).

For most children and young people, these illnesses will not be serious, and they will soon recover following rest and plenty of fluids.

Very few children and young people with respiratory infections become seriously unwell. This is also true for children and young people with long-term conditions.

### **Attending education is hugely important for children and young people's health and their future.**

Children and young people with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare, and resume normal activities when they no longer have a high temperature and they are well enough to attend.

All children and young people with respiratory symptoms should be encouraged to cover their mouth and nose with a disposable tissue when coughing and/or sneezing and to wash their hands after using or disposing of tissues.

Symptoms of COVID-19, flu and common respiratory infections include:

- continuous cough
- high temperature, fever or chills
- loss of, or change in, your normal sense of taste or smell
- shortness of breath
- unexplained tiredness, lack of energy
- muscle aches or pains that are not due to exercise
- not wanting to eat or not feeling hungry
- headache that is unusual or longer lasting than usual
- sore throat, stuffy or runny nose
- diarrhoea, feeling sick or being sick

Those with symptoms are advised to stay at home and avoid contact with other people until they feel well, and no longer have a temperature.

**Those with diarrhoea or vomiting should not return to school until they have been symptom free for 48 hours.**
